Update on neighborhood sign

Chris Davis met with Tom Muhlberger from Sign-a-Rama. The best place for a sign is the NW corner of Molten Rock and Unser. The city approves the placement and makes sure the sign does not restrict vision (traffic) and is not on someone's property. Tom will email Chris pictures of signs.

Change in Bylaws

We are locked into prorating dues by our bylaws. To change the bylaws we need to send a notice to all members with the changes and the date for the special meeting. A simple majority is needed to change the bylaws (members can vote by email).

First Saturday in May: May 7 Special Meeting of the membership

Changes: eliminate prorating and coordinate dues with the calendar year used by VCPOA

Petroglyph National Monument update

There will be an opening by Blocks at the corner of Popo and Cliff.

There is an increase of parking at night on Cliff and at the end of Popo.

Neighborhood Watch Sign
